

Chinese Fundraising Night 29th September

The Chinese evening was a huge success. Over 100 people partied the night away!! The evening included a Chinese Banquet followed by a disco. The venue was held at the popular Alambra Restaurant.

The Clean Team committee would like to say a special thanks to everyone who attended & also many thanks to the generosity of the local shopkeepers who donated the raffle prizes.

A total of £585 was raised which is fantastic!! this will go towards general running costs & education materials.

Clean Team reaches 100 mark

The Clean Team has now reached members of over 100!!! fantastic
We have 2 new committee members which will enable us to continue with our aims and meet new challenges.

We are looking forward to the future and increasing our membership.
So many people are now becoming litter aware and it's great to be a role model for Cheshire County.

We would like to thank the organisers of the Norman Festival for their generous donation of £100 towards our funds. We enjoyed helping out over the festival weekend and consider it to be part of our remit to assist at organised events if requested.

Donation from Pochins

Pochin PLC very kindly donated hi - viz jackets in various sizes so even our smallest members are now able to be 'safe' & seen whilst litter picking.

The Clean Team will certainly put these to good use especially when out litter picking with organisations such as the Brownies or Beaver Unit. **Safety is our number one priority.**

The presentation was undertaken by Mr Richard Buck representing Pochins and the Clean Team committee also invited the Cledford Brownie unit to take part in the publicity photos along with other Clean Team members.

After the presentation the Brownies took part in a litter pick along Booth Lane collecting 2 large green bags of litter. Well done!!

See photo archive for more pictures!

Clean Team Newsletter

By now Clean Team members should have received the current newsletter. For information on the forthcoming litter picks please view the calendar.

Everyone is welcome to attend

Annual General Meeting & Quiz Night It was decided to combine the AGM with a fun night.
Venue Middlewich Town Football Club Wednesday 19th October.
6.45pm for AGM & 7.30pm for the Quiz. The cost of £3.00 per head includes light buffet.

Helping British Waterways - fence painting days. During September / October / November there will be 2 fence painting days along the canal. Details will be available on the calendar at a later date.

Spare spring bulbs - if you have any spare spring bulbs please leave at no 39 Brooks Lane Middlewich. The Clean Team will organise planting around the town during the autumn.

Trudi Wood (2nd from left) & MCT committee members

Committee members of the Middlewich Clean Team were very pleased to be invited by Warrington Borough Councillor Trudi Wood to talk to Great Sankey residents about the Middlewich Clean Team.

Trudi has been inspired & motivated by our actions to start a Warrington Clean Team. She believes that this is the way forward for Warrington and is receiving the full support of Warrington Borough Council Streetscene department headed by Phil Chadwick.

Trudi is indeed someone who the Clean Team committee consider to be a 'doer' she won't let litter be 'someone elses problem'. We wish her & her team every success & she has our full support.
