Fiona Bruce MP becomes member of Middlewich Clean Team!

Fiona Bruce MP joined Middlewich Clean Team volunteers in Middlewich this week picking litter and cleaning up around the canal in readiness for the Boat Festival.

Fiona said:

"It's great to have such an enthusiastic and effective Clean Team in Middlewich which has proved itself over time to be making a real difference to the appearance of Middlewich, and I have written to the new Government hailing them as a prime example of excellent community work."

She said whilst working with the team along the canal bank,

"Volunteering with the Clean Team not only improves the look of our local community - at the same time it's great exercise and it's great to be out in the fresh air with such enthusiastic volunteers who care so much about Middlewich – and are also good fun to be with!"

Janet Chisholm, Clean Team founder and coordinator said:

"I welcome our newest Clean Team Member Fiona Bruce, our local Member of Parliament, who joined the litter pick which was held on Saturday. Fiona is very encouraging and it was a fantastic opportunity to discuss the aims and objectives of our dedicated group, which is now in its eighth year."
